Just spoke to Don. He's going to run this by her. He asked for a change; I'll copy you on what I send up, which will be honest (of course).

I think OGC is looking for more explicit language from Alex on this clearance? Should we run it by her for an OK?

I think we want to issue this release in conjunction with having our preliminary data available in some form, which Kimberley is working feverishly to finalize (more below). I'm thinking we could be ready to go ASA 1 pm at this point. Kimberley?

From Kimberly at 10:30ish:

Ed, here's where we are:

- Eric/OGC OK with releasing the data; suggested check with OECA

- OECA OK with releasing the data, per Diana's note below and my conversation with her
- Thuy/ACB drafting a cover memo for review; will have this before lunch. Will include caveats suggested by Tala
- Thuy/ACB will sanitize the Clarke data
- KN to quickly review the cover memo and send to you, Tala, Mike, for review asap
- Additional clearances needed? TBD -- possibly up to Charlotte & Alex levels, per conversation earlier today.
- Post-clearance, we'll sign memo and pdf the entire package for posting.
